dear parents: As the holidays are approaching, we are offering a special service provided by Metro Holiday Shoppe. An in-school shopping program, designed specially for our students that is fun for everyone!

Our students will have the opportunity to budget and choose their own specially priced, high-quality gifts for their family and friends. Metro's Holiday Shoppe will be set up in the school and children will have a specific day and time to shop. The Shoppe is run by volunteers and anyone wishing to help should please contact the program for information.

Wonderful family-oriented gifts available!
 Guaranteed something for every member of your family!

Dear Parents and Students:
 This budget envelope is designed to help you plan your holiday shopping at the Gift Store.
 On the other side, list the family members and special friends you would like to shop for, then decide what your budget is for each gift. The volunteers will help each child to shop within his or her budget. Gifts range from pocket change to \$12 but most gifts cost under \$6.
 Finally, add up the total for all gifts, and enclose that amount in cash or a check made out to your school. If your child does not spend the entire amount, the change will be returned to your group.
